Simply set the press die to easily install snaps.

Ideal for installing iron or brass products such as S-spring snaps, American snaps, and round spring snaps. Using a foot press frees both hands, providing more stable operation than a hand press.

The included worktable significantly improves work efficiency.

Pinch adjustment is possible via an adjustment screw

※ Helps reduce installation defects

- Dimensions: Height 1080 mm (782 mm to table) × Width 600 mm × Depth 524 mm
- Opening size: Height 60 mm × Depth 100 mm
- Made in Japan

## ■ You can change the parts used to attach each product

For Cap & Socket

For Stud & Post

We also accept orders for Press dies. Using dies that are appropriate for each product reduces installation errors and ensures a clean finish. Please feel free to consult with us when ordering.
